IMPORTANT INFO

- Normal working hours are Monday-Friday 8am-4pm, not including major holidays.
- Seasonal Maintenance Checks are subject to weather and technician availability. B&B Heating and Cooling Contractors Inc. will make every reasonable effort to notify you of any need to reschedule.
- Seasonal Check windows run for approximately 6 weeks. You will be notified via email or letter approximately 3-4 weeks prior to the start date of said checks in order to schedule appropriate dates. Any seasonal check made after the end date is subject to the going rate of a regular service call at that time and is subject to change.
- Notifications and second notices are a courtesy. If you are unsure if you have missed a notice, please call the office.
- Service and Maintenance check windows are 8am-4pm unless otherwise noted. Please make yourself or an authorized adult available during the entire window.
- Contact 301-645-2201 to schedule. If it is an after-hours call, please leave a message and your call will be returned as soon as reasonably possible. We do not offer 24/7 service currently.
- Emergency service is defined as “No Heat” calls only for 1 system properties. Multiple- system properties and “No AC” calls are not defined as emergency service.
